

## **Easter Week Schedule 2024**

**All EMs are to be seated in the church and are to participate in the procession** (except on days when there is no procession). The procedure during mass will be the same as when there are only three EMs except that those scheduled in the gym will proceed there instead of serving in the church. They will then return to the church and the altar as usual. As always, please be early so you can sit with your family.

**Fr. Nixon is always your best resource to confirm any details when you arrive at mass.**
